GIVE THROUGH THE CHURCH

The missionaries listed in this *Missionary Prayer List* are church-sent Christian missionaries. Please send all of your gifts and support through the church where you worship Christ, or ask the missionary whom you wish to support for the name and address of the church sending him. Many times the Forwarding Agent can answer for the missionary overseas. *The United States Government ruling regarding Income Tax deductions and the Bible pattern for missions agree that the church is the channel through which missions must be done.* Give through the church of Christ or Christian church, thus following the pattern revealed in God's Word. It also gives honor and glory to the church, the bride of Christ.

KEY TO THIS LIST

The key to an understanding of this *Missionary Prayer List*:

The missionary is listed along with his mission address. If the missionary has a Forwarding Agent, that name and address is listed in parentheses ().

R - means Recruit, a new missionary in active preparation to go to the mission field.

Furloughs vary and frequent changes occur. Mission Services maintains a Furlough List that is as nearly up-to-date as possible. During 1968 there will be six *Available Speaker Lists* published; they will cover two months. The first is for January and February, and thus throughout the year. Each list sells for 20¢ or you can subscribe for all six lists for \$1.00. These lists help in planning for Christian Service Camps and Missionary Rallies.

V - means Veteran Missionary - a "soldier of the cross" in retirement, not planning to return to the field.

Missionaries changing from missionary activity to regular selfsupport work will be listed for one year so that you will know where they are serving.

Packet Programs, *The Christian Mission* (a survey packet program of all the missions, published fresh each month during the year), and Slide Programs can be obtained from COME, Mission Services, Box 368, Joliet, Illinois 60434. *Horizons* gives the current news of these church-sent Christian missionaries - published every first and third Saturday of the month.

PART IV

PREACHER-TRAINING SCHOOLS

The preacher training schools do not receive funds from the United States government from either a national, state, or local level. The church and state are separate. The church trains its leaders by supporting the Bible colleges around the world. So, some of the Christians who fully understand this say that the dollar that you give to train a youth in Bible college is the dollar that lives longest in the service of Christ. Make your dollars count for Christ. Here is a list of the schools now training Christian youth for greater service to Christ.
